

## ART AS PRAYER WORKSHOP

*Saturday September 24, 2016*

1:00-3:30

### Painted Prayers with Claire Tomkinson

Join local artist Claire Tomkinson as she leads us in a prayerful painting workshop. Claire “seeks to create intentional sacred space for individuals and groups to let go of their daily burdens and rest in the present moment where the Divine is at work. In this space we will open our hearts and minds to the physical practice of creating original works of art from our prayers, meditations and intentions.”

This workshop requires no skill or artistic experience. Participants need only an open mind and a desire to connect to the Source of all life without fear or self-judgement!
